WORK EXPERIENCE

Slope

2020 - 2021

- With some friends we created a web app to create and manage advertising campaigns on social media.
- I was in charge of the creation and programming of the platform. To create it I used the Facebook API, Python, HTML, CSS, PHP, JavaScript and databases.

Freelancer

2020 - 2021

- Programming services for clients from different countries on Fiverr. For example: creation of Twitter bots through its API.

Little Paw Market

2018 - 2019

- Created a website where everyone could buy products for dogs and cats, using the dropshipping strategy.

Sociedad Hebraica Argentina

2017 - 2019

- Non-formal educator, I worked as a team together with others non-formal educators.
- Creation of recreational activities for kids.
